Re: Scientology v. Armstrong, et al.
Marin Superior Court Case No. CV 021632

Dear Mr. Wilson:

You stated in an e-mail on August 28, 2003 that you were going to file a summary judgment motion on behalf of the Scientology cult by the next day, that is, on August 29, 2003.

During the Case Management Conference on August 29, 2003 you stated that you were going to file the SJ motion that day.

You stated in an e-mail, also on August 29, 2003, that you "will email the SJ motion, but will not be able to email the exhibits." I understand that you will not e-mail the exhibits, but as of today, September 3, 2003 I have not received your e-mailed summary judgment motion, notice and separate statement.

Will you please have these e-mailed to me, as you stated, right away.

Yours sincerely,

Gerry Armstrong

PS The fax almost certainly does not work for you because you have an older, incompatible model fax machine or you are not dialing in the country code.

PPS I still have not received your Case Management Statement.
